

**In the United States District Court
for the Southern District of Georgia
Brunswick Division**

ANTONIO GOINS,

Petitioner,

v.

WARDEN, FCI JESUP-CAMP,

Respondent.

2:25-cv-6

ORDER

The Magistrate Judge issued a Report and Recommendation for the Court to grant Respondent's Motion to Dismiss and to dismiss without prejudice Petitioner Antonio Goins's ("Goins") 28 U.S.C. § 2241 Petition for Writ of Habeas Corpus. Dkt. No. 11. Goins did not file Objections to this Report and Recommendation, and the time to do so has elapsed.

Thus, upon review, I find no clear error in the Magistrate Judge's Report and Recommendation and **ADOPT** the Report and Recommendation as the opinion of the Court. See Macort v. Prem, Inc., 208 F. App'x 781, 784 (11th Cir. 2006) (If no specific objections are made or no objections are made at all, "the appropriate standard of review for the report and recommendation is clear error."). I **GRANT** Respondent's Motion to Dismiss and **DISMISS without prejudice** Goins's 28 U.S.C. § 2241 Petition for Writ of Habeas Corpus based on his failure to exhaust his

administrative remedies. Dkt. Nos. 1, 4. I **DIRECT** the Clerk of Court to **CLOSE** this case and enter the appropriate judgment of dismissal and **DENY** Goins *in forma pauperis* status on appeal.

SO ORDERED, this 29 day of September, 2025.

HON. LISA GODBEY WOOD, JUDGE
UNITED STATES DISTRICT COURT
SOUTHERN DISTRICT OF GEORGIA
